Yegna Trading PLC

Addis Ababa

Dear sir/madam,

I am writing to express my interest in **Software engineer** position at **Yegna Trading PLC**. I am a graduate of Arba Minch University with a Bachelor of Science in Computer Science.

I have always been interested in information technology, and I believe that my skills and experience would make me a valuable addition to your team. I am proficient in a variety of programming languages, database management, computer networking and system administration and I have experience in developing and implementing software solutions. I am also a highly motivated and results-oriented individual.

In addition to my technical skills, I am also a strong communicator and team player. I have experience working in a fast-paced and collaborative environment, and I am confident that I would be able to work effectively with your team to achieve your goals.

I am eager to learn more about ICT system and your company. I am available for an interview at your convenience.

Thank you for your time and consideration.

Sincerely

Dawud Adem
